

# Provocations

Inspired by Trevor MacKenzie's Inquiry Mindest - 2024

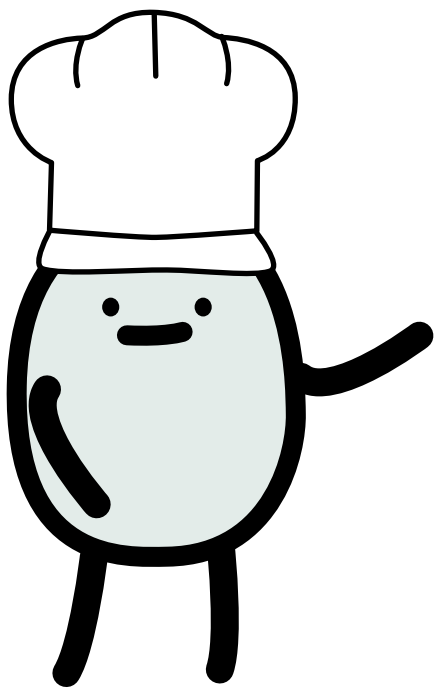

## Provocation Pot

Stimulate questions in the classroom with provocations. These provocations will stir up engagement, wonder, curiosity, thought, and questions amongst your learners. Pour and mix it all into the **provocation pot**!

## Ingredients

Make sure your provocations include the right **ingredients**.

### Authentic

Create authentic high level thinking!

### Purpose

What is the purpose of your provocations?

### Anchored

Anchor the provocation to a question, statement or discussion.

### Opportunity

Create authentic high level thinking!

### Refine

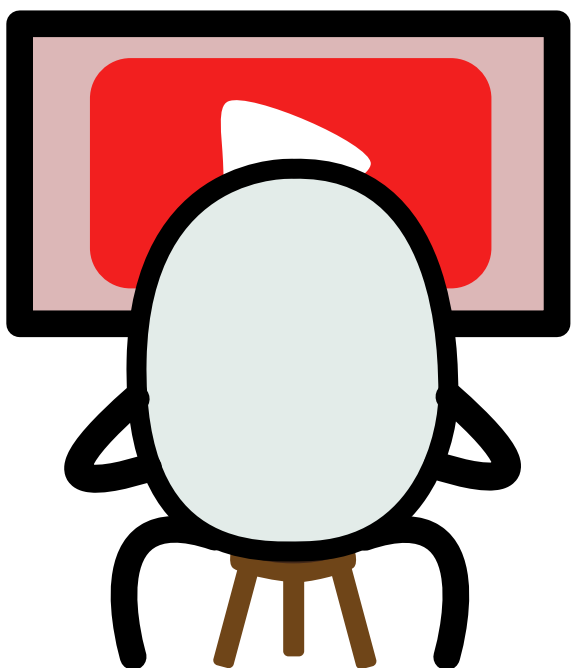

Regularly refine them to ensure they are effective.

### Taste

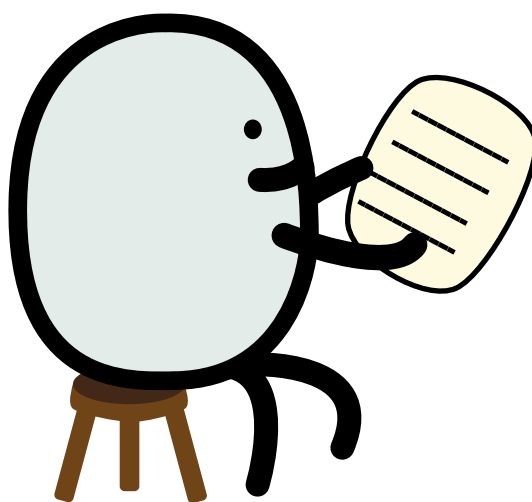

Test out your provocations before serving to your class.

## Serving Suggestions

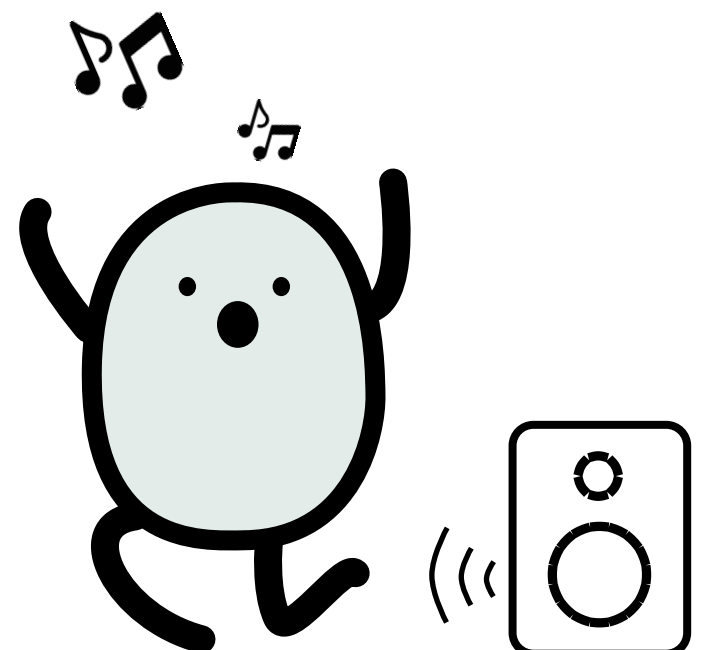

Choose different ways to serve up the provocation...
